## FOREWORD

### D I R E C T O R Y

1. The U. S. Air Force Installations Directory contains all separately located and defined areas of real property in which the Air Force exercises a real property interest.
2. The U. S. Air Force Installations Directory has been compiled from the USAF Installations Characteristics Reports, submitted by the Major Air Commands in accordance with AFR 87-18, and reflects the latest information contained therein.
3. Installations in this Directory are listed in straight alphabetical sequence reflecting all items of detailed information which have been included. In addition, there are indices which reflect all installations by:
  - a. Alphabetically, by command, by parent.
  - b. Alphabetically, by State.
  - c. Alphabetically, by function.
  - d. Alphabetically, by command, by function.
4. Additional or corrected information will be submitted by the Major Commands by means of the USAF Installations Characteristics Report (AF Form 1192) and will be incorporated by this Headquarters in the next issue of the directory.
5. This publication replaces the 1 March 1954 issue of the USAF Installations Directory. The rescinded publication will be destroyed in accordance with AFR 205-1.
