Real Property  
USAF INSTALLATIONS DIRECTORY (WORLDWIDE)

This Installations Directory contains all separately located and defined areas of real property in which the Air Force exercises a real property interest. It has been compiled from the USAF Installations Characteristics Reports, submitted by the major commands in accordance with AFM 87-18, and reflects the latest information contained therein. Major commands will submit additional or corrected information on AF Form 1192, "USAF Installations Characteristics Report," to be incorporated in the next issue of the directory. The information in this directory is current as of 30 June 1975.
